District Athletics carnival
Good luck to all our participants in this Friday’s District Athletics Carnival at Geoff Watt Oval. If arriving by car, please make yourself known to Ms Talbot who is supervising the students when they are not participating in their event. If parents are staying, we would ask that you position yourself near our school site. Don’t forget you have to be there early if you are in a relay team.

Ballina Cup Day Holiday
Local public holidays declared after 31 December 2011 are now made under the Public Holidays Act by ministerial order and published on the NSW legislation website. Local public holidays and half day holidays that have been declared by order are published on the NSW legislation website.

Ballina Cup Day is now a Local Public Holiday. This year it falls on Friday 13th September. Parents are required to collect students by 12 noon on this day. More information to follow in future newsletters.

Parking at school
Please be very careful when parking at the front of the school. The ground is deceptively muddy and cars have become bogged. A reminder also that when leaving the grassed area at the front of the school, you should turn LEFT and go around the round-about before leaving the school. This will help to keep everyone safe.

31st July
Book Club orders in

31st July & 1st August

High Distinction
Annabel was awarded a High Distinction for her UNSW Computer Skills Competition held earlier this year.

Congratulations Annabel on such a fantastic result.
Hello parents and families. My name is Susan Patch. I am a student teacher and will be teaching in KLT for the next 6 weeks. This is my last prac before graduating from Southern Cross University and I am very excited to have the opportunity to teach at Teven-Tintenbar Public School. This is my first time in a Kindergarten class and I am learning so much from Mrs Lasserre, Mrs Toscan and all of the students. In my spare time I enjoy reading books, walking my dog, cooking and working at a coffee shop in Ballina.

I am looking forward to meeting more students, parents and families during my time here.

Canteen Catch-up
It’s been a busy Term 3 already. A huge thanks to all our volunteers and helpers for our Athletics Day.

Last Friday was a busy day in the Canteen with some fantastic helpers serving and some wonderful bakers who donated homemade goodies. Thank you.

Our next opening will be Friday 9th August. Each opening we will attach a menu to the Newsletter. Remember you can pre order or order on the day. All pre orders are appreciated as it helps us plan. Next opening will see 2 new slushy flavours - What will they be?

Feedback indicates that our customers are happy with the current menu. We will continue to run with this menu for a while. The menu is always available on the School Website.

San Diego Golfing
Harvey recently competed in the Callaway Junior World Golf Championships which was over 3 days. Harvey tied 16th out of 110 kids in his age group.
