Country Fair
What fantastic day Saturday was. It demonstrated what a wonderful and supportive community we have. I would like to extend my thanks to all those parents, friends and family who volunteered their time to come and help out and support on the day. Also big thanks for everyone who donated items, worked on stalls or helped in the lead up to the big day. I would like to also thank Wayne, Rachel and the organising committee for all the effort and time dedicated to organising such an enormous event. All agreed that it was a very successful and fun filled day and I’m sure that our children and visitors had a great deal of enjoyment.
Once again a big THANKYOU to our wonderful and supportive school and local community.

Head Lice
Unfortunately with the increasing temperatures the dreaded head lice are making themselves known again. Please regularly check your child’s hair and treat as necessary. There is no single solution to eradication, only persistence.

*Regularly check your children’s hair
*Teach older children to check their own hair
*Tie back and braid long hair
*Keep a fine tooth head lice comb in the bathroom and encourage all family members to use it when they wash their hair.

Country Fair Success
We cannot thank everyone enough for the wonderful day on Saturday. To everyone who helped out, donated goods, coordinated stalls, purchased items. A special thank you to Wayne Shepherd and Rachel Paull for all the hours spent putting the Fair together.

Swimming Scheme
Swimming has started and all the students are enjoying the daily sessions at the pools. Please remember if your child is going to stroke correction they are encouraged to wear their swimmers to school, just remember to pack their uniform to change into at the end of the swimming session. I would also encourage children to pack a pair of thongs or crocs to wear to and from the pool they are much easier to manage and care for than school shoes. Also I would encourage girls with long hair to keep it up and braided if possible.

Canteen
There is no canteen for the two weeks of swimming school.

End of Year
With the end of the year rapidly approaching please keep your eye on the newsletter, website and even Facebook page to keep yourself aware of upcoming items and events.

Library
Library borrowing will cease at the end of Week 8 so that we can get all the books back over the next 2 and a half weeks, ready to start fresh again next year. If you have lost, misplaced or just are not sure about a library book please just drop Ms Talbot a line with you query.

Music Students
Lessons will still be running in Week 6 of this Term regardless of the school swimming program. Students still need to bring their instrument to school on Wednesday of these two weeks. Thank you, Fiona

Thank you to all Junior and Senior Band students who performed at Teven Tintenbar Country Fair last Saturday. We have performances in the last few weeks of this term. Lessons and rehearsals will continue until the end of this term.

Fundraising News - School Disco
Well, the excitement of the Country Fair might be behind us, but the party is not over yet, with a Christmas themed school disco now in the planning stages. Please put Friday, 5th December in your diaries and get ready for a great night.
Who knows – maybe Santa will make a guest appearance.

When: Friday 5th December
Times: 6.15pm sign in for 6.30-8.30pm disco
Venue: Kindergarten Room, TT School

Unlike previous years, there will be no separation of infants/primary into different time zones – everyone gets to party together.

We will be running a BBQ + party food, with sales of glow sticks etc. We will also be running a movie room for kids looking for time out. A reminder to parents that this is an alcohol free event. Stay tuned for more details in next week’s newsletter.

Country Fair Winners
Please see the window in the office for a full list of raffle and Billy Cart winners.

Thanks you to everyone who bought tickets and helped make the raffle such a huge success. A special thank you must also go to the prize hunters. This is a job that nobody enjoys doing but without these prize hunters the raffle could not have happened. Thank you
What a fantastic effort everyone.

P&C Thanks!

On behalf of the P&C, all the parents, teachers and students... A huge thank you everyone involved in making the Country Fair such a success, especially Wayne and Rachel. Not only did they organise the whole event but they worked tirelessly leading up to, during, and after the event. Also special mention must go to all our stall holders for the hours spent preparing, cleaning, pricing, arranging, setting up/packing up of stalls, it takes a lot of time and effort, also to everyone who volunteered on the day, thank you! Apart from the power outage for about an hour just before the finish, the day went without a hitch. Feedback so far has been nothing but positive, people enjoyed themselves, there was plenty to do and see plus a very relaxed atmosphere which was great. Funds raised around $14,000 but with some small costs still to be reimbursed so what a fantastic result! Much appreciated and well done, fabulous effort.

Best Regards, Sara Remfrey P&C President

People’s choice Winners:
Greg Ryan - Harley Davidson
Derek Williams - Ducati
Red and Black Hot Rods

We had a fantastic day thanks to all the support of our extended community. Many of our families rallied together their extended family to assist. We had people volunteer that are not associated with our school. They assisted all day as well as provide vehicles to display. For people like these we can’t thank them enough.

We achieved what we set out to do!
Our Country Fair was about providing an entertaining and affordable day of fun for all that attend. It is our opportunity to show what a vibrant school community we have. Thankyou to everyone that contributed to the Country Fair, which in turn benefits all our children.
