Country Fair
Our P&C needs your help. We desperately need a Country Fair Co-ordinator.
I know it sounds like a big job, but it’s actually more about organising other people to do all the work. Would you consider taking on this voluntary role? You would be needed to chair meetings, ensure all stalls have a co-ordinator (who then does the work for their stall), books, rides, outside stalls, liaise with the school. Basically the job is about keeping everyone else on track.
There are many parents and teachers who will offer their support along the way and on the day. This event has a long history at our school and it would be such a shame if it didn’t move forward in 2014.

If no-one steps forward in the next few weeks, it may be too late to book rides etc, and the event will not be taking place in 2014. If you are interested in finding out more, please contact the office, who can put you in contact with previous co-ordinators who may be able to answer any questions you have. WE NEED YOUR HELP. Maybe you think you could do this with someone else? That’s perfectly alright— we could have 2-3 people who work as a team to co-ordinate. Please consider. WE NEED YOUR HELP.

Athletics Carnival
It was disappointing that we had to postpone last week's carnival. We have decided to run the carnival on Friday 18th July - the first week back after the holidays. We hope the weather will stay warm and sunny for us.

Our Plan B, in the event of further rain, is to run races in class time for the children interested in participating at District level. In this event, we MAY not be able to give parents notice before the races. We will then hold a school athletics carnival for the whole school later in the term, when the ground is dry. But let's all hope we don't need our Plan B.

Canteen thank you
A special thank you to the parents who supplied baking for canteen this week; Michelle Mahon, Barbara-Ann Wyatt-Peters, Laura McDougal, Kanako Goedde, Angela Woolcott and Donna Jaszewski. Thank you to Laura, Donna, Angela and Berry who gave their time preparing and serving in the canteen.

Any baking for canteen each week is most appreciated, the children love it. We look forward to seeing some new faces next term! Please write your name on the roster in the front office if you can spare a couple of hours on a Friday next term.

Free Garden Mulch
There is a large amount of mulch on the top oval if anyone would like to pop in and collect. Please phone the school to let us know if you are going to be onsite.

Health Warning
Tis the season...There is a gastro bug working its way around our school at the moment. If your child shows any symptoms, please keep them home for a day or two. This may help to stop the spread of this problem.
