Student reports
Student reports have been sent home today. These reports have some changes, in line with the new English and Mathematics syllabus and feedback from parents gathered over the past few years.

Your child’s year 1-6 report will show, with a shaded line, where your child SHOULD be at this point in time, within their STAGE. The RED DOT shows where your child is ACTUALLY currently placed. The kindergarten report has not changed from 2013.

Please ask for an appointment with Mrs Latta or your child’s teacher if you have any questions once you receive your child’s report.

End of term assembly
We look forward to seeing you at our assembly tomorrow which starts at 2.30pm. During the assembly the P&C will be making a retirement presentation to Mrs Sales. We hope you can join us.

P&C Apology
We are sorry that the P&C meeting scheduled for last night had to be cancelled. Due to many of our P&C parents attending the Coastal kids concert we needed to postpone.

Better Buddies Day
This Friday 27th June we will be holding a fun day for the children. The children will be split into K-6 groups and will be rotating around different fun activities. Children are allowed to wear mufti clothes and they are asked to bring a gold coin donation. The SRC are raising money for the Year 6 present for the school.

Pretty in Pink Winners
Congratulations to our winning team at Friday night’s Trivia night. It was a great night and we thank all our families for their support, from attending to buying raffle tickets.

An ENORMOUS thank you to the Fundraising committee for their hours and hours of work in running such an event.
Touch Footy Knockout
Last Wednesday 11th June, boys from years 4 and 5 competed against Alstonville in the PSSA Touch Football Knockout competition. The boys played extremely well and showed great sportsmanship and teamwork. Thank you to the parents who supported the boys and helped transport them to and from the venue.

Approaching teaching staff
Earlier this term a new APPROACHING OUR SCHOOL POLICY was sent home. We would appreciate parents reading and abiding by this. Approaching teachers when they are in control of a class or on playground duty is not appropriate.

When possible, teachers have requested that parent interviews be held before school or during their RFF time. This is why it is important to make appointments at the school office. The teachers use time after school for collegial meetings and class preparation time.

Mrs Sales farewell
Please come and join with us to say farewell and thank you to Mrs Lyn Sales. Mrs Sales has had many roles during her teaching career here at Teven-Tintenbar.

Our children have benefited from her kindness and dedication to her work. We wish her all the very best for her retirement with many new adventures ahead.

Afternoon tea will be held in the staffroom on Thursday 26th June at 2pm. We would love to have as many parents as possible join us in this event.

Coastal Kids
Miss Slingsby and Ms Talbot had the great pleasure of accompanying our choir, taekwondo group and LSTT band members to Coastal Kids in Ballina this week. This performance event showcases the talent from schools around the Ballina area. Wow! Did our kids stand out! They behaved and rehearsed beautifully in the lead up to the concert last night.

Our choir was one of the smaller at the concert, but sang like true professionals. Our taekwondo group was the most unique item in the concert. This group of 10 martial artists are to be congratulated for creating their own item from scratch. They were a real credit to TT and their instructors at Ballina Taekwondo. Our talented musicians appeared in both the junior and senior band and played to perfection. Thank you to the 33 great kids involved - we look forward to events like this each year because of your efforts and enthusiasm.

A really big thank you to all the parents who were able to support us by driving the kids to and from rehearsals and came along last night to support us in the audience. We appreciate your support of these initiatives which would not be possible without you.

Trivia Night
THANK YOU!
A great night was had by all at our trivia night last Friday. Over 60 people descended – with many making the effort to dress up (and I have never seen so many men in pink!), play trivia, have fun and help us raise funds for our school.

Congratulations to our winning table – the PINK table – who consisted of Rachel and Michael Doyle, Sara and Paul Gillan, Lisa and Jules – who took out a convincing win on the night amidst some stiff (and some not so stiff) competition. This table, along with the GREEN table, also took out the best decorated team / table competition.

Our raffle was an outstanding success on the night and we extend our congratulations to all our lucky winners.

There are so many people to thank:
*Our brilliant host – Mark Wyatt-Peters
*Barbara-Ann Wyatt-Peters for organizing so many great prizes
*Donna Jaszewski for purchasing the Byutte beauty voucher for the raffle
*All our bakers for their lovely cakes on the night
*Jodie Gow for her making her coat with many colours
*The teaching staff for their support, and for staying back late while we packed everything up.
*Everyone who came along on the night and all those people who purchased raffle tickets
*Our many, many donors to the event
*Our fundraising committee for all their hard work: Donna Jaszewski, Barbara-Ann Wyatt-Peters, Sue McLachlan, Jodie Gow, Belinda Johnson and Michelle Mahon

And the best news is that we raised $2007 from the night for our school (a record for our PTA fundraising committee).
