Cyber Behaviour

Now that many children are bringing their devices to school, we would like to share some tips for responsible cyber behaviour. These tips are from [http://raisingchildren.net.au/articles/cybercitizenship.html](http://raisingchildren.net.au/articles/cybercitizenship.html)

How to be a safe and responsible ‘cybercitizen’ - There are ways to encourage your child to be safe online.

Start by talking together about the following issues:

**Behaviour:** As a general guideline, if your child wouldn’t say or do something in front of a live audience, she shouldn’t say or do it online.

**Respectful online communities:** Encourage your child to treat online friends with as much respect as those he meets face to face and to avoid any online bullying behaviour.

**Photos of your child:** It’s best if you can get your child to agree not to post provocative photos of themselves or others. It’s also smart to avoid posing for inappropriate photos in real life (such as at parties), because someone else might post them online without your child’s permission.

**Other photos and images:** Some phones and cameras add data to photos that identify where and when they were taken. If your child isn’t careful, he could be sharing more details than he’d planned.

**Tone and feelings in digital communications:** It’s often hard to ‘read’ emotion in emails, and jokes can easily be misinterpreted. Using emoticons like smiley faces can help.

**Identity:** Encourage your child to be cautious about identity, because not everyone online is who they say they are.

**Rude or nasty comments on profile pages:** Your child should delete any nasty comments on her profile page.

**Online ‘Frenemies’:** Your child can block or ‘unfriend’ people who don’t treat him with respect online. This will send the message that it’s not OK to mistreat or bully someone online.

**Online information:** Share only as much as necessary. It’s not compulsory to enter your year of birth, mobile number, email address or city on all online forms.

**Privacy settings:** Adjust settings so that your child’s profile is not publically available.

School Banking News

Thank you to Jackie Dorey for kindly volunteering her time to run our school banking program. Many thanks also to our bankers who have raised $142.23 for our school this year. The following rewards are available to redeem this term (while stocks last):

- Wallet, hand ball, knuckles game, headphones, Penguin and shark key rings, money boxes (Spen, Pru & Pat), scented pencils, swimming bags and a whale shark pencil case.

All rewards are worth 10 tokens. Simply write a note with your name, class, student number and selection. Send it in with your tokens on banking day and your reward will be ordered. Please allow 1-2 weeks for delivery.

Banking day is every Monday and everyone is welcome to join! If you have any queries please contact Jackie.

It’s also important to keep an eye on the privacy settings on sites that let users post their location. For example, it’s a good idea for your child to make sure only her friends can see her ‘checking in’ at a cafe or shop.

**Pop-ups:** Your child should be careful about clicking any pop-ups that appear on websites. We will be posting more information in future newsletters - this is about keeping our children safe.
Fundraising News – PIE DRIVE

Thank you to those parents who have already ordered pies and supported our pie drive. You will enjoy the benefit of having a delicious, wholesome pie on hand when you next have unexpected visitors or end up getting home too late to cook a meal from scratch. Simply defrost, heat and eat!

Feel free to extend our pie drive offer to friends / family / neighbours – we have extra order forms available at the school office – and the family who orders the most pies will win a double pass to the movies at Ballina Fair Cinemas.

Orders for our pie drive need to be in by Monday, 18 August. Orders will be available for parental collection at school on Tuesday, 26 August.

As always, we thank you for your support of our fundraising efforts, with all profits from this initiative going directly to our school.
