Egg Donations
Thank you to those who have already brought in their chocolate eggs or bunnies. It would be greatly appreciated if each child brought in one egg for our raffle, which will be drawn at the conclusion of the Hat Parade on Thursday 24th March. It's a fun event where families, friends - young and old, are more than welcome so bring as many people as you want. It's a fun event for all as well as a fundraiser for the school and our children. Egg donations can be left at the office.

Birthday celebrations
Our school has a large number of children who have mild to severe/life threatening food allergies. While we are not about to stop parents wanting their children's birthday from being celebrated with school friends, we are asking you to consider being more creative with what you provide. Why not provide, instead of cakes, a fruit platter, your child's favourite book to be read by the teacher, or a watermelon cake? You might like to consider contacting parents of your child's friends and organising an after school play date at a local park. Teachers can help by giving your phone number to other parents if you would like this.
We ask that you talk to teachers ahead of time, or at least call the office well in advance if you intend sending something in to share with the class.

Illness in School
There seems to be a gastro bug in our school. Please keep children at home if they are sick. If your child has vomiting or diarrhea, they need to be well for 24 hours before returning to school.

Staff car park
In order to keep all our children safe, we ask that parents NOT park in the staff car park at any time. Staff and delivery vehicles are coming and going all day.

going at various times during the day. It is important that they are not parked in by an unfamiliar car.

Office Fridays

Mrs Partridge will be on leave each Friday for 2016. Payments can still be taken to the office on Fridays but these will not be processed until Monday.

Mrs Undery will be available in the office on Fridays to assist with anything you need.

School Fees

Thank you to all our families that have paid their school fees. The Mathletics and Reading Egg licences for your students have already been purchased by the school so prompt payment of these fees is greatly appreciated. If you need extra time that is no problem, fees can be paid in small instalments if that makes it easier for your family.

P&C NEWS

P&C Annual General Meeting

The P&C AGM will be held on Thursday 31st March, starting at 2.15pm.

Executive positions will be vacant as of this meeting. The current roles are President, Vice President, Secretary, Treasurer. Role statements are available from Mrs Latta. Kindly take a minute to consider a lead role in our P&C.

I understand a few parents have already indicated that they may be happy to stay on, and we are also looking for new parents to come along, participate and, if interested, take on a role.

Canteen

Thank you to all who donate slices or muffins to the canteen. Please remember to include a list of ingredients in your produce. Thanks to Alley and Aki’s mothers from Kindy and Angela whose treats were snapped up fast last Friday. Any parents wanting to see happy faces might like to consider volunteering for canteen. The roster can be found in the office area or you can ring in to put your name down. It’s fun interacting with the children and rewarding to see them proud of themselves when they work out the correct money.

Fundraising

Don’t forget TTPS Tupperware fundraising event this Friday 4th March at 2pm. If you are unable to attend but would like to place an order please return order form and money prior to or on the day. Come along and see what is on offer or just turn up to meet some new faces. Parents, families and their friends are all welcome, so please spread the word!

Wish List

Following the success of the Country Fair last year, the P&C and teachers came up with a ‘wish list’ for our school. We would like to get an indication of what the majority of parents feel would benefit the school and therefore their children. In order to do this please number your preferences then return to the school as soon as possible. However should you think of any other items that you feel would benefit the majority of the school please feel free to add them to the bottom of the list for future consideration.

Sara Remfrey, P&C President
