Dear Parents,

Today your child received either their Best Start Assessment (Kindergarten) or Interim Progress Report (Years 1-6)

During the week starting Monday 4th April, each teacher will be holding parent-teacher interviews. A timetable of when each teacher is available is attached to today’s newsletter.

Teachers for Years 1-6 have indicated whether an interview is necessary at this time. Even if a teacher has indicated there is no need for an interview, you are still welcome to arrange one.

Where interviews with several teachers is needed, all endeavours will be made to ensure interviews take place on the same day.

Please peruse the timetable and indicate below THREE (3) days/ times that will suit you. Interviews are of 10 minute duration. It is important that you return the note by this Friday 25th March. Teachers will then sort through and allocate an interview time for you. You will receive a note on Wednesday 30th March indicating your interview time.

Regards,

Ginny Latta
Principal
