To Parents / Guardians

Interrelate, in conjunction with your school, is offering a specialised course ‘Where Did I Come From?’ for students in Year 4. This fun and informative program emphasises the value of good communication within families and relationships as a tool for better understanding each other and reducing conflict. The program consists of one 75-minute session.

The objectives of the session include:

- Develop in children a feeling of being a special individual
- Encourage children to think about the importance of the family and their place in it
- Encourage communication between adults and children
- Teach children about the differences between the male and female body
- Teach children the basic concepts of human foetal development and birth
- Give a basic overview of the changes during puberty, dispelling the myths and providing accurate information.

NB. Puberty normally onsets in girls between 8 and 13 and boys between 9 and 14. The average age currently is 10½.

Should you wish your child to enrol in this program please complete the form below and return it to your school with the enrolment fee one week prior to the commencement date.
